Confirm your selection of **Estate** as the type of structure applying for an EIN.

What it is...

- An estate (or decedent estate) is a legal entity created as a result of a person's death
- The estate consists of the real and/or personal property of the deceased person
- The estate pays any debts owed by the decedent and distributes the balance of the estate's assets to the beneficiaries of the estate

If you need to change your type of structure, we recommend that you do so **now**; otherwise you will have to start over and re-enter your information. Additional help may be found by reviewing [all types of organizations and structures](#) before making your selection.
