(Notice to Principal is Notice to Agent

I, Randy A. Dandy, a-live man, include, a National, suitor, propria persona, come by special visitation and appearance to bring *Petition in the nature of a motion to dismiss with prejudice for failure to state a claim upon which relief can be granted, by Affidavit of Truth*. Hereby give notice of fraud upon the court carried out by unregistered foreign agent BAR Attorneys and other agents employed by the corporate STATE OF KANSAS with Dunn & Bradstreet number 073132748; working for the for-profit corporate courts known as the JUDICIARY COURTS OF THE STATE OF KANSAS with DnB No. 362227936.

Said corporate agents are conspiring to act under color of law thru the unconstitutional Emergency War Powers de facto corporate lead CONGRESS; “personate” the live man as if he is the ens legis legal fiction corporate PERSON/ENTITY; functioning under the authority of the for-profit corporate UNITED STATES and STATE OF KANSAS for the purpose of unjust enrichment using the Court Registry Investment System (CRIS) working with foreign financial institutions; promoting involuntary servitude and peonage; thereby applying trickery and “Unfair Deceptive Acts and Practices (UDAAPs) in violation of the Constitutions and the Law of Nations, Section 30; therefore converting a right to travel into a licensed privilege in violation of well settled constitutional law and federal law while receiving federal funds. For further cause suitor states the following:

1. District Attorney Marc Bennett, et al, hereafter DA Marc, BAR #17237, has no required Oath of Office as per 5 USC 3331 and required Officer Affidavit as per 5 USC 3332, in violation of 18 USC 912;

2. DA Marc failed to produce through KORA request and has confirmed he has no required foreign agent registration as per 22 USC 611;
3. DA Marc lied with malfeasance in his KORA response when claiming he has a license to practice law in the corporate STATE OF KANSAS for-profit court, when showing his ens legis PERSON, MARC BENNETT, was admitted to the BAR Club by STATE OF KANSAS corporate SUPREME COURT JUSTICES;
4. DA Marc failed to provide an affidavit from an injured party and uses the corporate STATE OF KANSAS as a public plaintiff to attack the private live man carrying out judicial misconduct;
5. DA Marc failed to show in personam jurisdiction with no victim;
6. DA Marc has no contract with the accused live man, therefore has confirmed he has no subject matter jurisdiction;
7. DA Marc acknowledged he has no right to the Intellectual property of the accused live man, using UDAAPs while claiming some presumed authority under color of law over the ens legis NAME belonging to the grantor/beneficial interest holder, the accused live man.

Failure to rebut this Petition into the court record, to each fact herein stated in this affidavit of truth, is confirmation that this court and its STATE OF KANSAS agents are practicing malice in law, and all parties associated with this action are subject for any damages caused to the live man and his good name. Response required into court record within 3 days, 72 hours or dishonor and default shall apply.

I, Randy A. Dandy, hereby declare under the penalty of perjury of the United States of America that the forgoing facts are true, correct, and certain to the best of my ability, knowledge and research.
