Senate Majority Leader: John Thune, et al, Faxed to: 202-228-5429

August 7, 2025

I, **Your Full Name**, a creation of Creator God, a-live man, suitor, American Native, national, not a citizen of District of Columbia or any corporate franchise, comes privately and in peace to bring forth this NOTICE OF LIABILITY AND CLAIM, ET AL, IN CONGRESS assembled et al; **response required within 10 days, because of extraordinary hardship caused by CONGRESS, ET AL .**

The U.S. legislature's corporate business model could be taken as a game, which builds great value to the intellectual soul, while the natural living people/person is ignorant, as cooperative, surety and guarantor. The object of this game is an accumulation of wealth that includes stocks, bonds, trading revenues, insurances of every sort and conjured kind, intangible and tangible, known and unknown, movable and immovable, and equitable financial and non-financial value. A game that ignorant cooperatives are conditioned in stealth to willingly deceive the People who were to never learn about the real end game (bondage/debt slavery) and artificial intelligence (AI) plan.

On the other hand, why should one wait until the ignorant cooperative dies with the destruction caused by the fiat debt credit cash system; when the corporate Legislative (patented) business model provides a path to cash out one's intellectual property while still alive. It is called an "event of default" that gets reported to the government, that B.A.R. attorneys move through the power of attorney (POA) foreclosure process to bring forcible evictions as quickly as possible. ALL THIEVES cash out on the plunder, while the average free people are traumatized marked targets whose lives have been destroyed and are left on the curb and now homeless; all while Congress remains silent in spite of being given Notice of crimes against People and The Constitution for the United States of America.

Surely, the original Congress did not intend to obliterate the collective posterity's fundamental freedoms and liberties; which includes, but is not limited to the rights of redemption, right of revocation, right of rescission, right of restitution, rights to remedy and rights to redress.

Substantive Inherent Rights are stripped away by irrevocable powers, irrevocable terms and conditions that the corporate CONGRESS' has established through Commerce and trade in order to finance government (black projects), and support the economic public-private market place which the corporate CONGRESS has built itself around to regulate, tax, and control.

There is no greater existential risk to the United States of America, than the rot that has been embedded from within Congress and actively at work, that has stripped all rights, assets, and properties (real, personal, and intellectual) from approximately 264,996,563 American People who reached the age of majority that are over the age of 18 (as sovereigns under God), who God created as men and women alive on the Land. All presumed ownership of said properties was handed over and controlled by deception and trickery, thru legislative established emergency war power Acts used against the American People, by applying identity theft; then regulated by approximately 1,000,000

willing thugs, thieves and liars, otherwise known as [BAR] ATTORNEYS-AT-LAW, operating as unregistered foreign agents under allegiance to a foreign power working together with foreign financial institutions.

Nevertheless, of the 264,996,563 American People, the undersigned individual(s) have been divinely blessed with the gift of KNOWLEDGE and discernment to see through the lies and deception that has directed the posterity into a state of ignorance. I (we) on the other hand am (are) free from the sins of ignorance and complacency. I (we) have a competent understanding of the truth, which does change, and is INDISPUTABLE and easily understood when stripped of all the lies and deceptions.

The United States Congress is the cause of the economic collapse in 2008, which was intentionally engineered through the United States Patents and Trademarks Office (USPTO) and United States Copyrights (USC).

Tens of millions of American people lost their jobs and careers as a result, which was caused by the incorporated UNITED STATES and enfranchised STATE OF corporations, supported through the emergency war powers acts, patented business models, all approved by Congress assembled.

Tens of millions of American people have lost their investments and pensions that were caused by the incorporated UNITED STATES and enfranchised STATE OF corporations, also supported by the ATTORNEY-AT-LAW-POA patented business models approved by Congress assembled.

Tens of millions of American people lost their homes by forced evictions, which were made indefensible because judges have been bribed, controlled and paid off with annuities in exchange for summary judgment foreclosures, and enforced by corporate fiat debt credit funded agencies; the usufructuary agents claiming usufruct over the real and intellectual properties belonging to the People of God's creation; then hold them as slaves of the corporate UNITED STATES, in an attempt to establish an authoritarian NEW WORLD ORDER under the secret societies' rule of Lucifer or Satan.

Therefore, followed by forced evictions at gun point by incorporated Sheriff departments that are in contract with presumed POA, B.A.R. ATTORNEYS-AT-LAW. The (tent cities) homeless encampments springing up across this nation, mostly populated by those who were unlawfully evicted from their homes, which was all caused by the incorporated Congress approved Patent and Trademark system controlled by unregistered foreign agent B.A.R. Attorneys, financed through fiat debt credit used as currency, supported by the Court Registry Investment System (CRIS).

The incorporated CONGRESS has supported the patented corporate business model as a public policy, because the Congress did nothing whatsoever to remedy the pain and suffering resulting from the economic collapse that Congress caused, and is responsible for the disastrous outcome.

This established incorporated (patented) business model is applied because everything that is anything operates through an automated business model method, where there is nothing of any consequence that does not occur without careful planning, and is accompanied by the unilateral agreements that are incorporated with and into agreements by corporate agents through uninformed consent. All goods, products, and services that spin off the corporate establishment are laundered and trafficked through the Trademark side, accompanied by the agreements incorporated with and into consensual contractual agreements by uninformed consent, through presumed POA's in the corporate formed system of securitizing the registered Birth Certificate (BC) NAME on Bond Paper. Then monetizing the registered BC NAME warehoused as collateral in the corporate STATE OF and

WASHINGTON D.C. as a federal citizen of the UNITED STATES, a corpse. Said ens legis NAME is generally spelled in all capital letters as a corporate ENTITY, and applied by using Unfair Deceptive Acts and Practices (UDAAPs), with malice aforethought and malicious abuse of legal process condoned by CONGRESS, who stand by in silence when repeatedly given Notice of the abuse of power against the People.

The de facto corporate legislative establishment is operating in conjunction with copyrights and trademarks, accompanied by the agreements incorporated with and into by uninformed consent of those aware and unaware of the New World Order (NWO) plan for total authoritarian control of all People living on the Land, recognized as corporate UNITED STATES/STATE OF property/chattle.

Billions in campaign finance and lobbying is bought and purchased through the incorporated:

1. Congress' repeal of the last remnants of the Glass-Steagall Act;
2. Congress' blocking any and all regulation on derivatives;
3. Congress' Federal Preemption of State Consumer Protection laws;
4. Congress' off-balance sheet accounting to escape accountability for assignee liability;
5. Bank self regulation without oversight;
6. Congress' refusal to outlaw predatory lending;

Now, the de facto corporate Congress should have little difficulty understanding previously submitted documents used as evidence that are all in the details; now that CONGRESS and other REPRESENTATIVES are in possession of what is simply stated with indisputable facts. Everything Congress does is by using corporate legal fictions AT LAW (color of law) and is an illusion, it is a farce. Congress sits there and says that they make the lives of the American People better, it is nothing but a lie, because they handed this nation over to con-men known as thugs, thieves, and liars; who were given POA by presumption of authority over the people who are "personated", as if they are the ens legis legal fiction PERSON, and "AT LAW" considered incompetent legal fictions by de facto legislative corporate statutes. Therefore, anything Congress does never makes it to the People, who have delegated only limited powers of sovereignty which has been usurped, because of the irrevocable powers of attorney that have been approved by CONGRESS and placed by automated patented corporate business model system methods.

REMEDY for Redress and Settlement

Suitor shall receive immediate access to the credit that was monetized based on my given good name at birth, including but not limited to each and every court case or transaction my good name has been applied to; or is associated with any type of financial transaction based upon Suitor's Intellectual property. Suitor requires immediate restitution for the concealed undisclosed commercial agreements entered into without knowledge or consent, et al. Suitors' ens legis account NAME of record regarding Intellectual property, which was used without Suitor's written consent and full disclosure, and must be returned to Suitor in incalculable amounts applied at time of settlement, ab initio.

This is a private request, demand, to Congress for Immediate and Absolute Restitution and Equitable Settlement for the irreparable economic, reputational, mental, physical, and emotional harms and damages, expressly and directly caused by immoral, unethical and unlawful acts. Restitution accorded by way of revolving self-clearing "black" or "white" Cards, operating through a federally established and administered credit facility. A credit facility that is permanent and guaranteed, coupled by a lockbox of some certain amount of cash, that is self filling, for those times that cash is

required in the event of emergencies: New Credentials, from common carrier to private carrier; along with passports of a diplomatic sort with full immunities and protections; In other words, an American National, a living soul, a “private” People of the United States of America. This of course includes our biological property as sons, daughters, grandsons, granddaughters, and their heirs. This is a good-faith vested settlement that is tendered with just and moral conscience, each with absolute titled ownership, in exchange for a non-disclosure agreement that maintains a peaceful and healthy society.

CONGRESS’ BLOCKING OF ANY REGULATION WHATSOEVER ON DERIVATES

The United States Patents and Trademarks (USPTO) and the United States Copyrights (USC) are the hubs from which all domestic and national commerce, trade, workflow, and information are originated with highways to international and universal commerce; this includes, but is not limited to, all branches, appendages of government (federal, state, municipal, territorial, and local) along with all manmade legal codes, rules and statutes, which is not law, but rather Admiralty/Maritime business models operating in commerce and trade.

UNDERLYING CAUSE

The business model of banking policy and practices did not form this business model on their own; it was insulated by Acts of Congress, who provided all the pieces of (Emergency War Powers) legislation the business of banking needed to accomplish their goals. Pursuant to Congressional financial records, [approximately] \$5,178,835,253 in federal campaign funds and money from lobbyists, the 105th-110th Sessions of Congress betrayed the people of this nation, handing all ownership and control over all of us (We the People) into the hands of lawyers, including but not limited to foreign agents associated with B.A.R. ATTORNEYS-AT-LAW [a/k/a third party debt collectors] and their CONGRESS approved business model of banking, subsidiaries, financial services, and insurance clientele operations, et al. If one is not under authority, one has no authority over anything; the created can never be greater than the Creator.

Read: **Zechariah 8:16**, “These are the things that ye shall do; Speak ye every man the truth to his neighbor; execute the judgment of truth and peace in your gates;”

Also read: **Luke 11: 46-52**, “And he said, Woe unto you also, ye lawyers! For ye lade men with burdens grievous to be borne, and ye yourselves touch not the burdens with one of your fingers. Woe unto you! for ye build the sepulchers of the prophets, and your fathers killed them. Truly ye bear witness that ye allow the deeds of your fathers: for they indeed killed them, and ye build their sepulchers. Therefore also said the wisdom of God, I will send them prophets and apostles, and some of them they shall slay and persecute; That the blood of all the prophets, which was shed from the foundation of the world, may be required of this generation; From the blood of Abel unto the blood of Zacharias, which perished between the altar and the temple; verily I say unto you. It shall be required of this generation. Woe unto you, lawyers! For ye have taken away the key of knowledge; ye entered not in yourselves, and them that were entering in ye hindered.”

A Peaceful American, Respectfully,

By: **Your Full Name**, sui juris
