Writ of Habeas Corpus

To: all inferior Local, State, and Federal courts, their officers and agents not vested with the supreme Article III judicial Power of the United States by Article III Section I of the 1787 Constitution of the United States.

This extraordinary Writ of Habeas Corpus is issued by Darrell Allen Link's one supreme Court vested in him by Article III, Section I, of the 1787 Constitution of the United States, which is an exclusive grant of power to the people, having the supreme judicial Power of the United States for the purpose of removing him and or any cause against him, from any inferior Court into his one supreme Court for any unlawful legal restraint of his Liberty whether past, present or future, or designated as civil or criminal.

Darrell Allen Link's one supreme Court's supreme jurisdiction over the inferior courts is prescribed in Article III Section II Clause II of the 1787 Constitution of the United States and is in part as follows: "In all Cases affecting Ambassadors, other public Ministers and Consuls, and those in which a State shall be a Party..." Darrell Allen Link's one supreme Court shall have original Jurisdiction. In all the other Cases before mentioned, (in Article III Section II Clause I) Darrell Allen Link's one supreme Court shall have appellate Jurisdiction, both as to Law and Fact, with such Exceptions, and under such Regulations as the Congress shall make. Rule 81(a) (2) F.R.C.P. in respect to this Writ and 28 USC 2072 (b), regulates that all Laws

Exhibit D, 5pgs total

in conflict with such Rule shall have no further force or effect. Article I, section IX, clause II, 1787 Constitution of the United States.

The jury finds that Darrell Allen Link is one of the People of the Preamble United States, a living soul created by nature, a private Individual, a freeholder within the geographical boundaries of a State, a neutral for all purposes of war. We further find Darrell Allen Link is not an artificially created person, nor a member of any political society of the World, nor an inhabitant within any State, nor an enemy alien for purposes of war or emergency, nor subject to the jurisdiction of the United States, nor subject to the emergency public policy of the federal and state government. We also find that Darrell Allen Link is not DARRELL ALLEN LINK and that any act of levying War against Darrell Allen Link, or in adhering to the enemy, giving the enemy Aid and Comfort shall constitute Treason against Darrell Allen Link as one of the People of the United States. This Court advises all of whom it may concern to take notice that the 48 Stat. page 1 amended section 5(b) of the 1917 Trading with the Enemy Act includes "all persons within the United States or any place subject to the jurisdiction thereof."

Crimes mala prohibita which embrace only things prohibited by Statute as infringing on others' civil rights are not applicable against Darrell Allen Link. He is subject only to Crimes mala in se which embrace acts immoral or wrong in themselves, such as, for example: burglary, larceny, arson, rape, murder, and breach of peace.

This Writ of Habeas Corpus is issued in compliance with Law and agreeable to the usages and principles of Law by the People's one supreme Court, made in Pursuance of 1787 Constitution of the United States as an additional part of the supreme Law of the Land; and the Judges in every

State shall be bound thereby, any Thing in the Constitution or Laws of any State to the Contrary notwithstanding. Article VI, Section II.
